Request for Updated Contact Information

Dear Residents and Homeowners of Potomac Greens:

Have you ever wondered how to get a replacement trash or recycle can, or a mailbox key? Or wondered, "When is the next board meeting"?

The Potomac Greens Home Owners Association Board of Directors recently established a Communications Committee to better share information with homeowners and residents, as appropriate, in a timely manner.

We want to know how to contact you, and develop improved ways to share community updates, emergency communications, metro development updates, meeting announcements and social updates.

*Your information will **not** be shared outside of the community or used for purposes other than to share information relevant to the neighborhood/HOA. We appreciate your assistance!!*

*~Your neighbors, the Communications Committee
